

CS 492/493 Progress Report.

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to blackboard. Progress reports uploaded to blackboard without a signature and score for progress will receive a 0 for progress.

Team/Project Name: Project Rebel

Team Member #1: Seth Thoele

What I did since last progress report:

Anything holding me up on my last progress report's expected activities:

What I plan to do before the next progress report:

Team Member #2: Grant Haataja

What I did since last progress report:

Starting to get more comfortable working remotely. Completed the clickable dashboard cards and started working on an upload form for users to upload a custom picture for their avatar.

Anything holding me up on my last progress report's expected activities:

We have been using Zoom to collaborate and work dynamically in pair programming which has been going well. Nothing holding me back seriously.

What I plan to do before the next progress report:

Finish the user avatar upload.
